PROFESSIONAL SUMMARY

Java Full Stack Developer fresher with hands-on project experience in Java, Spring Boot, JDBC, Hibernate, REST APIs, MySQL, HTML, CSS, and JavaScript. Strong foundation in object-oriented programming, database management, backend development, and RESTful API service. Developed an Employee Management system project using Spring Boot, MySQL and RestAPI. Eager to contribute to a software development team and grow as a Java Backend/Full Stack Developer.

TECHNICAL SKILLS

- Programming: Java, SQL
- Backend: Core Java, Advanced Java, spring, Spring Boot, Servlets, JDBC, Hibernate, REST APIs
- Frontend: HTML, CSS, JavaScript
- Database: MySQL
- Concepts: OOPS, Collections, Exception Handling, JDBC, MVC, RESTful Web Services
- Tools: Git, GitHub, Maven, Postman, VS Code

PROJECTS

Employee Management System | Java, Spring Boot, MySQL, REST API.

- Developed a Spring Boot-based Employee Management System to manage employee information through RESTful APIs.
- Implemented CRUD operations, OTP validation, and exception handling to provide reliable and secure employee management.
- Designed backend functionality using Controller, Service, and Repository layers with MySQL for data persistence.
- Designed RESTful APIs for user registration, OTP verification/resend, authentication, and employee management using Spring MVC.
- Integrated Spring Security for authentication and authorization and implemented secure user access.
- Added centralized global exception handling with custom exceptions for validation, invalid OTP, expired OTP, duplicate users, and missing fields.
- Tested REST APIs using Postman and managed database operations using MySQL Workbench.
- Used Postman to test REST APIs and validate request/response workflows.
- Used Git and GitHub for version control and project collaboration.

INTERNSHIP

STRYDO Technologies Pvt. Ltd., Vellore

UI/UX Designer Intern | Jul2025 - Aug2025

- Applied UI/UX design principles to create intuitive and user-friendly interface designs.
- Collaborated with the design team to develop wireframes, user flows, prototypes, and mockups.
- Gained hands-on experience with Figma, Adobe Photoshop, and AI tools including ChatGPT and Gemini.

EDUCATION

• Ganadipathy Tulsi's Jain Engineering College, Vellore

B.E. Computer Science and Engineering | 2023 - 2026

CGPA: 8.0 / 10

• Guru Raagavindra Polytechnic College, Gudiyatham

Diploma in Mechanical Engineering | 2015 - 2018

Percentage: 83%

CERTIFICATIONS & ACCOMPLISHMENTS

1. UI/UX Designing Internship - STRYDO Technologies Pvt. Ltd. (Offline)
2. Cloud Computing and Data Analytics - Naan Mudhalvan (Online)
3. **Java Full Stack Developer - JSpiders Institute (Offline)**
